Sea trout

All sea trout greater than 60cm to be released with minimum injury and delay

Sea trout season – 20 th March to 17 th October;									
	March	April	May	June	July	August	September	October	
Fly		20th March- 17th October							
Spin		20th March - 17th October							
Worm			15th April - 7th October						

Worm fishing is only allowed for sea trout with a single worm using a single barbless hook with a gape less than 8mm.

Please note that dates are inclusive

Hooks

All hooks must be barbless or de-barbed

On artificial flies with a hook gape greater than 7mm, hooks are restricted to singles or doubles

On artificial flies with a hook gape 7mm or less, hooks are restricted to a maximum of two hooks with a total of four points between them

No treble or double hooks are permitted on lures used for spinning

Spinners and spoons can have only one single hook with a gape of 13mm or less.

Plugs can have a maximum of three single hooks, each with a gape of 13mm or less.

Shrimp and prawn fishing for salmon is allowed from the 1st September until 7th October with the use of a barbless, single treble hook with a gape of less than 7mm.

Further details of byelaws affecting the rivers in Wales, non-migratory trout, coarse fish can be found on the NRW fisheries pages. <https://naturalresources.wales/days-out/things-to-do/fishing/?lang=en>
